Office Memorandum • UNITED STATES GOVERNMENT

TO : Colonel Baird, Dir, Training

DATE: 28 December 1951

25X1 FROM :

SUBJECT: Summer Area Programs

1. Thank you for sending me the memorandum, subject above, dated 17 December 1951. The program outlined therein appears to offer considerable to certain individuals in the Agency. However, after careful consideration of the requirements of my office, I have reached the conclusion that I have no candidates who could make sufficient use of the training to warrant their participation. I understand that you, in a telephone conversation with concur in my views.
